

Museum Essentials: Working with the Learning and Engagement Manifesto

Quiz Answers

Community, Collections and Research

Question 1

The Manifesto's community participation principle ties in closely with which Museum Association framework:

- Power to the People
- Democratised Museums
- Power and Privilege in the 21st Century Museum
- None of the above.

The answer is 'Power to the People'.

Question 2

Under collections, the Manifesto states: 'Collections belong to <FILL IN THE MISSING WORD> and without people museums are just storage warehouses.'

- Curators
- Communities
- Visitors
- None of the above.

The answer is 'Communities'.

Question 3

Which of the following statement describes the Manifesto's Research and Evaluation principle:

- Museums should support people-centred research that responds to challenges in society
- Museums should support research that responds to collections
- Museum research should only be undertaken by specialists.
- All of the above.

The answer is 'Museums should support people-centred research that responds to challenges in society'.
