

## **Supporting Anti-racism**

### **Module Learning Objectives**

By the end of this module you will:

- Have a greater understanding of the role of museums in dismantling racism
- Have a greater awareness of what anti-racism can involve at an individual and organisational level
- Have improved confidence to build your anti-racist practice

### **Section Learning Objectives**

Overview to Supporting Anti-racism:

- Have an improved awareness of structural racism and its impact
- Have an improved understanding of what anti-racism can involve
- Have a greater awareness of why language matters to anti-racism work

The role of museums:

- Have an improved understanding of the relationship between racism and museums
- Have a greater understanding of why anti-racism matters to museums
- Have an improved awareness of why this work matters now and the wider UK context

Anti-racism at an individual level:

- Have an improved awareness of how to begin addressing privilege and power
- Have a greater understanding of what working in solidarity can involve
- Have a greater understanding of how to start creating change

Anti-racism at an organisational level:

- Have an improved understanding of institutional racism in museums
- Have a greater awareness of ways to build accountability for anti-racism in museums
- Be familiar with some of the key issues involved in sustaining this work in the long term

Putting it into Practice:

- Have identified priorities for your anti-racist practice
- Have identified next steps to build your anti-racist practice
- Have identified accountability plans to support your work in the long-term
