

Supporting Anti-racism

Quiz Answers

Section Five – Putting it into Practice

Question 1

How can you identify priorities for this work?

- Think about where you are currently
- Think about what you need to move this work forward
- Think about where you have power to create change
- All of the above

The answer is 'all of the above'.

Question 2

What can you put in place to make sure you deliver your anti-racism actions?

- Set calendar review points for your actions
- Identify an accountability partner
- Consider how your actions could be added to your work plans
- Consider if your priorities could be reflected in your objectives and/or development plans
- All of the above

The answer is 'all of the above'.

Question 3

True or false – individuals cannot create change for anti-racism?

- True
- False

The answer is 'false'.
